# Question 1:

---

The church prayed for Peter. Why do we pray?

## **Answer:**

We pray for many reasons. Prayer is the way that we call out to God when we are in need, when we want to say we are thankful, or when we want to worship him. God already knows what we pray before we pray it, but prayer helps us remember who God is and our need for him. God loves it when we pray to him.

# Question 2:

---

The church was amazed by Peter's rescue.

When have you been amazed by what God has done?

## **Answer:**

[Answers will vary.]

Nothing is too difficult for God. God has a plan and purpose for all His actions. And He invites us to pray and talk to Him so that we get to be a part of the work He is doing on earth.

Like Peter and the praying church, we can trust that whether God chooses to rescue us or not, Jesus has saved us to enjoy heaven with Him.

## ANIMAL SOUNDS

1. Invite kids to line up behind you. Tell kids that they are to follow you around the room, copying the movements you make.
2. Lead kids by hopping, skipping, walking backwards, and so on.
3. After 30 seconds or so, choose a kid to be the leader. Direct him to lead the kids using different movements. Continue switching leaders as time allows.
4. For an added challenge, consider turning off the lights at various times. Tell kids that when the lights are off, they must freeze. Then turn the lights back on and resume the activity.

## **BIBLE CONNECTION**

Today, we learned how Peter was put in prison and it looked like he would be killed for his faith in Jesus. Yet, God listened to the praying church and chose to send an angel to lead Peter out of the prison. The angel told Peter to get up and follow him.

Nothing is too hard for God. Not even the metal chains, 16 soldiers guarding Peter, and the prison gates!

## RESCUE CHARADES

1. Form kids into groups of three or four.
2. Explain to each group that they have one to two minutes to act out a rescue scene. As the groups act out the scene, the other kids will guess what rescue attempt they are portraying.
3. Assign groups a rescue scene such as a lifeguard rescues kids in the ocean, a fireman rescues kittens from a burning building, a ranger rescues a family lost in the woods, a ski patrol rescues people from an avalanche, etc.

## **BIBLE CONNECTION**

Seeing someone rescued from a dangerous situation causes us to celebrate and be thankful. Today, we learned how God rescued Peter from prison and how the church was praying for Peter's rescue.

Prayer makes a difference in what happens, and the Bible teaches us that as we pray, we must have faith that God hears and will act. While God does not answer every prayer as we may like, we can trust that He hears and is working through our prayers to help us trust Him more.

**For just as the body is one and has many members, and all the members of the body, though many, are one body, so it is with Christ.**
